## FREESTANDING SOLUTIONS

**82 Stand out** Distressed mango wood, ornate metalwork and a tasselled handle make the Menara armoire, £1,309 from Maisons du Monde, something to treasure.

**83 Bright & simple** For a clean, fuss-free design, opt for the white Nordli modern wardrobe, £200 from Ikea, which has space for hanging clothes and two deep drawers with a soft-close mechanism.

**84 Interesting texture** Slatted doors on this Max appear less bulky than solid wood and add texture and interest. Two-door version, £895; or three-door, £1,500, Habitat.

**85 Design led** With a sliding door that's also a full-length mirror, and castor wheels, the ultra-cool glass Shoji, £2,180 from Go Modern, is perfect for studio living.

**86 In the closet** Add industrial chic with the metal locker cabinet, from £395, Idyll Home. The vintage look works well in a teen's room or loft-style space.

**87 Light touch** Taupe-coloured glass and a mirrored front make the Atlanta, £1,065, Barker & Stonehouse, clean and stylish. An LED panel allows light into the wardrobe so it's especially useful in dark rooms.
